

Designating your Planned Gift

When considering your planned gift, you may wish to specify that your gift be used to support one or more specific areas or programs of the Hospital. Because the opportunities for designating your planned gift are abundant and varied at Georgian Bay General Hospital, and so that your gift is used as you wish, with no confusion or misunderstanding, we advise you to contact the Foundation staff in confidence to assist you with including appropriate language.

For more information on making a Planned Gift, please contact the Georgian Bay General Hospital Foundation at (705) 526-GIVE (4483) e-mail: prices@gbgh.on.ca
