JOIN US IN-PERSON FOR POWER OF GIVING

This year's Power of Giving event will take place in-person on Saturday, September 19th at Wye Heritage Marina in Midland. Through the Power of Giving, we have a goal to raise \$500,000 for Georgian Bay General Hospital, and celebrate the stories that demonstrate the incredible impact that community support has on our vital health centre.

We hope that you'll join us for an evening of fun to enjoy live music, cocktails and hors-d'oeuvres, and live fundraising all in support of Georgian Bay General Hospital.

SUPPORTING GEORGIAN BAY GENERAL HOSPITAL

Our hospital serves 65,000 full-time residents and more than 150,000 residents and visitors during the summer months, from the communities of Midland and Penetanguishene, the Townships of Tiny, Tay, Springwater, Georgian Bay and Oro-Medonte, and the Beausoleil First Nation community on Christian Island.

The GBGH Foundation exists to empower Georgian Bay General Hospital to deliver excellent health care.

Through a variety of fundraising initiatives, the GBGH Foundation provides vital funding to support investment in medical equipment and technology, infrastructure upgrades and capital development.

This year, the Power of Giving will invite guests to get involved in transforming health care for our community through the We See You: Inside and Out campaign.
