

# WORKING TOGETHER...

**We are very grateful that you are choosing to invest in health care at GBGH. We look forward to working together to help make your fundraiser a success.**

**We are happy to support your fundraiser by:**

- Providing signage & donation forms – to indicate that your fundraiser is supporting GBGH, and to help you accept in-person donations
- Providing access to create your own fundraiser page on JustGiving, which includes customizable content and donation forms
- Re-sharing your content on our socials – please tag us (@GBGHFoundation) so we can share your posts about your event!
- Promoting in our email newsletter – sent monthly to 3,000 subscribers
- Promoting with an internal GBGH email – sent to more than 700 employees of Georgian Bay General Hospital
- Celebrating your success with a cheque presentation photo (and media submission if desired) and recognition as a 'past event' on our website
- Recognition and thanks on our Digital Donor Wall

## Unfortunately we are unable to provide:

- Access to our mailing or email lists
- Volunteers
- Media or advertising outside of the Foundation's own communication channels
- Funding or reimbursement for event expenses
- Corporate sponsorships
- Licensing or insurance
- Solicitation for prizes, auction items and/or awards

**NOTE:** We will do our best to have a representative from the GBGH Foundation in attendance at the event, if desired. However, if this is not possible, we can provide speaking notes and a thank you message.
