

MONTHLY GIVING FOR GBGHF

"When doors are stuck or defective, it can be very challenging to move the patient bed or gain access to the room in a hurry. The new doors slide with ease, protecting our nurses from injury and ensuring their focus is on caring for patients."

103 DONORS GAVE MONTHLY IN 2023, TOTALING MORE THAN \$60,000!

Because of YOU, our ICU is now equipped with new, modern doors on each patient room! These doors offer complete visibility from floor to ceiling, meaning nurses can check on patients at a glance. Monitoring changes in patient condition is an essential part of critical care, and you have made this possible. Thank you!

MONTHLY DONATIONS ARE HELPING TO MAKE EXCELLENT CARE POSSIBLE AT GBGH.
